

PERMISSION TO PUBLISH

To avoid any delay in publication, please read and sign in the space provided and send the completed form together with the submitted article to the address provided below. Publication cannot proceed without a signed copy of this agreement.

Article entitled (“manuscript”): _____
Corresponding author: _____
To be published in the Journal: <i>Annalen des Naturhistorischen Museums in Wien</i> <input type="checkbox"/> Serie A <input type="checkbox"/> Serie B

CONDITIONS

1. The author(s) hereby assigns the Naturhistorisches Museum Wien (the “publisher”) the non-exclusive, irrevocable, transferable, sub-licensable and unlimited rights to use, publish and disseminate the submitted manuscript identified below and any associated illustrations, tables and other information included in the submitted version of the manuscript in print and electronic form.
2. The author retains the rights to re-use parts of the manuscript or any associated illustrations, tables and other information, provided proper reference is given to the final published version.
3. The author may disseminate the final published version (but not the page proofs, pre-review versions or other unfinished productions stages) by providing a link to the final published version or upload it on his or her personal website.
4. The author agrees to give full credit and accurate reference to the final published version in case of re-use of parts of the manuscript or any associated illustrations, tables and other information in other publications.
5. Dual publication of the unmodified manuscript in its entirety is prohibited.
6. Commercial re-use of parts of the manuscript requires written permission by the publisher.
7. The author guarantees that the manuscript has not been published before, whether in print or electronically and is not submitted for publication to any other publisher.
8. The author guarantees that the manuscript is genuine and does not infringe the copyright or other proprietary rights of third parties. In case of joint authorship, the submitting author guarantees to have obtained the right to transfer the above stated rights to the publisher and has informed the other authors of the submission for publication. Furthermore, the submitting author guarantees to have been authorized to sign this agreement on behalf of all authors and ensures that all co-authors are fully informed of the content of this agreement and the data processing activities stated below.
9. Where excerpts from copyrighted works are included in the manuscript, the author has obtained the written permission from the copyright owners if required and has included reference to the original publication (if applicable) in the manuscript.
10. The author agrees to hold the publisher harmless from any claims, costs, damages or licencing fees incurred by the publisher as a result of infringement of third party rights based in whole or in part on the manuscript.

DATA PROTECTION

The publisher processes personal data of the author(s) for the purpose of the performance of this contract in accordance with Sec. 6 para 1 lit b GDPR. Personal data is provided by the above stated author; personal data will not be transmitted to third parties for other purposes than the performance of this contract (e.g. printer). Personal data will be processed for the duration of the contract and for statutory retention periods. The data is required for the fulfilment of the contract, no automatic decision-making takes place. In accordance with Articles 15-18, 20, and 21 GDPR, you have the right of access, rectification, erasure, restriction of processing, portability and objection against the processing of your data. If you wish to exercise one or more of these rights, please contact us via email at datenschutz@nhm-wien.ac.at. If you believe the processing of your data violates applicable law or that your rights/interests have been infringed, you can launch a complaint with the Austrian Data Protection Authority.

Approving these conditions above I grant permission to publish the manuscript. In the case that the manuscript is rejected this arrangement is null and void and the author retains all above mentioned rights
