

# PERMISSION TO PUBLISH

To enable publication of the submitted article (the “manuscript”) the author(s) hereby assigns the Naturhistorisches Museum Wien (the “publisher”) the rights to publish and disseminate the submitted manuscript identified below and any associated illustrations, tables and other information in print and electronic form. To avoid any delay in publication, please read and sign in the space provided and send the completed form together with the submitted article to the address provided below. Publication cannot proceed without a signed copy of this agreement.

|---|
| Article entitled: _____   |
| Corresponding author: _____   |
| To be published in the Journal: <i>Annalen des Naturhistorischen Museums in Wien, Serie A</i> |

## CONDITIONS

1. The author guarantees that the manuscript identified above has not been published before and is not submitted for publication to any other publisher.
2. The author guarantees that the manuscript identified above is original and does not infringe the copyright or other proprietary rights of third parties.
3. Where excerpts from copyrighted works are included in the paper, the author has obtained the written permission from the copyright owners and has included reference to the original publication in the manuscript.
4. The author agrees to hold the publisher harmless from any claims made, costs, damages or licencing fees incurred by the publisher as a result of infringement of third party rights based in whole or in part on the manuscript.
5. The author agrees to give full credit and accurate reference to the final published version of the manuscript identified above in case of re-use of parts of the manuscript or any associated illustrations, tables and other information in other publications.
6. Dual publication of the unmodified manuscript in its entirety, however, represents a violation of the journal's ethical practices and is prohibited.
7. Commercial re-use of parts of the manuscript requires written permission by the publisher.
8. The author agrees not to disseminate pre-review versions or page proofs of the manuscript identified above prior to or after publication of the final published version.
9. In the case of jointly prepared paper the corresponding author undertakes an obligation to inform all co-authors about the contents of this arrangement, and to sign on their behalf.

## PERMITTED USE

1. The author retains the rights to re-use parts of the manuscript or any associated illustrations, tables and other information in other publications or oral presentations, pending proper reference is given to the final published version.
2. The author retains the rights to send the final published version to colleagues providing that no fee is charged.
3. The author retains the rights to offer the final published version (but not the page proofs or other unfinished productions stages) on her or his personal website providing that no fee is charged for access and proper reference is given (full citation to the journal as published by the Natural History Museum Vienna).

Approving these conditions above I grant permission to publish the manuscript identified above.  
In the case that the paper is rejected this arrangement is null and void.
